Mr Xiaoming,

I'm in a new school now. The school is very large. There are 3 grades in our school. Each grade has 6 classes. There are 40 students in each

class. We learn Chinese, English, maths, computer science, and so on. Most of us like to study English. We all think English is very useful. We found many machine instructions are in English.

We have a large library with a lot of books. The playground is very big. After class, the students do all kinds of sports and games there.

We all like our school and we are very happy.

Hope to see you soon.
