Do you know what our life will be like in 2060? Here are my ideas. Maybe they will come true in the future.

One day, you will be woken up by a robot. You go into the bathroom and the robot will bathe you. After that, he will use a machine to get you dry. You won't need a towel anymore. Then he makes breakfast as you order. After breakfast, he cleans the table and asks what he should do next. If you want to buy a camera, he will order it online. Later, another robot comes to your home and gives you the camera. If you want to go out for vacation, you just need to tell your robot and he will take you anywhere you want. If you like, you could work at home.

111. The article tells us what our life will be like _____.

- A. in 2050 B. in 2030 C. in 2060 D. in 2040

112. Will you need a towel after the robot gives a bath to you?

- A. Yes, I will. B. No. I won't. C. I don't know. D. I think so.

113. Who cleans the table after breakfast in 2060?

- A. You B. Your grandmother C. Your mother D. Your robot

114. If you like, you could work _____.
